

Parka — Draga & Aurel — 2024

Dalla prima collaborazione con i designer Draga & Aurel nasce Parka, un divano passe-partout facile da abbinare ed estremamente versatile, nonostante la sua forte personalità. Le linee morbide e i volumi generosi imbottiti fino a terra promettono comodità e relax. La particolare forma ellittica dello schienale, che digrada diventando bracciolo e poi seduta senza soluzione di continuità, crea uno spazio concavo o convesso al tempo stesso grintoso e accogliente, capace di adattarsi con disinvoltura a stili differenti.

From the first collaboration with designers Draga & Aurel comes Parka, an all-purpose sofa easy to match and extremely versatile, despite its strong personality. The soft lines and generous volumes padded to the ground promise comfort and relaxation. The distinctive elliptical shape of the backrest, which slopes down to become the armrest and then the seat without interruption, creates a concave or convex space that is both bold and inviting, capable of effortlessly adapting to different styles.
